

Policies

Class Scheduling Policies

- Packages can be purchased on our web scheduler (myiclubonline.com) or at the front desk.
- SLX members are able to manage their account 24/7 on the web scheduler.
- SLX members may schedule in advance for as many classes as they have on their account.

Class Size Policies

- Our SLX Studio is located at FSII; the studio contains 7 Pilates Reformer machines, so we limit our class size to 7 participants so that everyone has their own machine.
- Classes are subject to cancellation if there are less than 3 participants scheduled in the class 24 hours before the class. In this event, the Program Manager will email enrolled participants to let them know of the cancellation.

Cancellation Policies

- If an SLX member wants to cancel a class reservation, they may do so as long as it is at least 24 hours in advance. This can be done on our web scheduler or by contacting the Program Manager.
- Class reservations canceled with less than 24-hour notice will be charged and will not receive a refund.

Expiration Policies

- Each class package has an expiration date.
- If you do not use your classes within the expiration timeframe, you will not receive a refund.
 - SLX Bronze (4 Classes) expires in 1 Month
 - SLX Silver (8 Classes) expires in 3 Months
 - SLX Gold (12 Classes) expires in 4 Months

Refund Policy

- Refunds or extended expiration dates are only given for medical purposes and must be approved by the Program Manager.

Thank you for your interest in SLX! We are excited to have you and are here for you if you have any questions!
